ORS RECEIVES A SUPPLIER QUALITY AWARD FROM TOFAŞ

TOFAŞ is one of Turkey's leading companies in the automotive sector. Founded in 1968, TOFAŞ started with mass production of cars in 1971, with a total production of 20.000 cars/year. Today, with a total land area of 1.000.000 m² and roofed area of 350.000 m², TOFAŞ is producing 250.000 cars a year, and continuously increasing the capacity. With its manufacturing capacity and facilities, TOFAŞ is among the top 10 largest manufacturing companies in Turkey.

Every year, TOFAŞ evaluates its suppliers according to quality and other technical and commercial criteria. The most successful suppliers for year 2004 have been awarded by TOFAŞ at a ceremony on 25th of March this year, in Bursa.

ORS Bearings is among these top suppliers awarded by TOFAŞ. The importance of this

award is very high, since ORS took its first step in the automotive sector with TOFAŞ.

TOFAŞ, a renowned company in the automotive industry, has awarded ORS Bearings the **2004 SUPPLIER QUALITY AWARD** in the TOFAŞ metal direct material group. ORS was nominated for this award by satisfying the following criteria:

- Certified quality system (ISO/TS 16949),
- Certified environmental management system (ISO 14001),
- Maintaining target PPM value,
- No QT problems,
- Produced parts must not cause any MGD/TOC problems,
- No post-sales complaints and no warranty cost,
- Maintaining delivery performance,
- Having AQP authorization, which does not require entrance control,
- No cancellation of AQP authorization during the year in question,
- Being a CODESIGNER supplier,
- Being in top 70% of total TOFAŞ turnover,
- Signing the general purchase contract.

We have worked hard to satisfy the strict requirements of the TOFAŞ award, and we will continue to work hard to win similar awards, committing ourselves to customer satisfaction, continuous improvement and high product quality.
