VALEO AWARDS ORS AS VIP SUPPLIER WITH BEST QUALITY MANAGEMENT SYSTEM

In 1999, our customer Valeo has started a VIP (Valeo Integrated Partner) Program. Aim of this program is to evaluate and rank Valeo's suppliers.

Accordingly, Valeo has set criteria for potential VIP suppliers. To join the program, VIP's should:

- always be among the best in their respective fields
- support Valeo's innovation,
- take part in development of strategic products and markets,
- achieve performance that satisfies Valeo's expectations and demonstrates continuous improvement,

- support Valeo's international development,
- actively suggest improvements in cooperation,
- be transparent in their cost analyses,
- assign appropriate resources dedicated to Valeo,
- guarantee confidentiality of all transferred information.

At a meeting held in Valeo's Paris headquarters on 3rd of February 2006, Valeo announced that only 103 out of more than 2.000 suppliers have been accepted to the VIP Program. At this meeting where Valeo's new automotive sector technologies were presented, Best VIP Supplier Awards were presented to the winners in these categories:

- Best Productivity
- Best Efficiency
- Best Quality Assurance System

ORS was awarded the Best VIP Supplier Award in the Best Quality Assurance System category.

In addition to VIP supplier criteria, there are further requirements for this award. The Best VIP supplier should:
